REMARKS

V98

I appreciate you giving me the time I needed to complete this. This new software program is proving much more challenging than I anticipated and I have had some pretty serious health issues that I've been helping my dad with since late July. On top of dealing with my own family with handicapped child and my job. I am publishing this week. Will forward pub as soon as I get it. THanks again. and HAPPY HOLIDAYS. No mater what I tried I could NOT get the error message to GO AWAY! I have literally been working to correct errors with new software and complete this report non-stop for the past 2 days with NO SLEEP.
